**(June 16, 2017 – Yorkton, Sask.)** Save-On-Foods is celebrating the grand opening of its Yorkton store this weekend with free food samples, prize giveaways, games and family fun, and all kinds of in-store specials.

The Yorkton store is B.C.-based Save-On-Foods' second location in the province of Saskatchewan since it opened the Save-On-Foods in Regina in April of 2016.

To celebrate, the first 500 customers of the day on Saturday, June 17, 2017 will receive a free 6" x 8" Nanaimo bar slab, and the store will continue celebrating by giving one customer a day their transaction for free for 14 days.

Complete with an in-store pharmacy, the store contains a Save-On-Foods Kitchen, where customers can find ready-to-eat, made-in-store items such as sushi, pizza, sandwiches, soups and salads, among others. The produce department carries the freshest offerings available, along with a wide selection of organics and pre-cut fruits and vegetables. The deli offers more than 40 types of party platters to make entertaining easy, while the full-service meat department features Angus Pride triple-A Canadian beef.

"We are so excited to bring a fresh, new grocery offering to the people of Yorkton," said Save-On-Foods president Darrell Jones. "We're all about Going the Extra Mile for our customers, and as our company grows in the prairies, it's amazing teams like this one that will lead the way in customer service. This community has been amazing, and we're just so thrilled to be here."

Located at the Parkland Mall (277 Broadway Street East), the store officially opened for shopping at 7 a.m. on Friday, June 16 and will be open from 7 a.m. until 11 p.m. seven days a week. Grand opening celebrations take place all day on Saturday, June 17.
