Save-On-Foods expands online shopping offering in Interior B.C. and Okanagan

(November 10, 2017 – Kelowna, B.C.) Save-On-Foods is expanding its online shopping pickup and delivery service to cities in B.C.'s Interior and Okanagan, giving customers the option of the increasingly popular, convenience-based service.

The stores in Kelowna, Prince George, and Vernon will offer the choice of pickup or home delivery. Customers can order groceries online at saveonfoods.com or on the Save-On-Foods app, and choose a time slot for home delivery or pickup. Personal shoppers pick the groceries, and even load the groceries into the customer's car at designated online shopping pickup parking stalls.

Four Kamloops Save-On-Foods will join the Brocklehurst store in offering the pickup option. Save-On-Foods Brocklehurst started offering the service on June 2, and now the city's other locations in Valleyview, Sahali, Westsyde and Lansdowne will make it easier than ever for customers to pick up their pre-picked grocery orders at a store that's convenient for them.

Pickup is free, and the first home delivery is free as well. Delivery charges start at just \$4.95.
